Random R.M.

Dear Virgin Territory,

Nikki was born on Sept. 10. I was born on that date in 1961.

Mari and Heather are unshaven, unpierced and have no tattoos. Mari never pierced her ears like my mom.

I listen to heavy metal. I dabble in 48 languages because of pornography. I'm only fluent in English. I like to watch everyone fuck. I'm old enough to drink Ziegenbock beer. I'd like to see bilingual 18eighteen in both Hungarian and English.

Mia's serving up love, lust and tennis. Porn makes me cum. I've got enough porn and beer to pretend that I run a convenience store; six bottles of beer costs seven cents less than six cans of beer.

Your magazine is so pornographic that it reminds me of Adam and Eve-naked and taking the lord's name in vain. Is it me, or do teens watch R-rated movies on HBO? For example, Steve Stifler is the Stifmeister. I've seen eight chapters of American Pie. That motherfucker is funny. Your 18-year-olds make me nostalgic for girls who aren't

mean. They love Jesus and a five-speed manual Toyota. Call me old-fashioned, but I'm monogamous, not gay and I try not to judge anyone. Whoever's elected president in 2016, he better be

honest. It goes without saying. I want my future generations to behave well and keep it TV14. Then, when they turn 18 years old, I want them to decide if nudity would be kosher, less sinful than CBS or setting a wholesome example.

When I was 18 and older in college, I programmed a computer and a calculator. Now, girls that young would rather fuck a 97-year-old priest on Father's Day. I love 18eighteen.-R.M., Lake Jackson, Texas

Dear R.M.,

Your letters are always entertaining. We're not sure what's going on half the time, but we love your non-sequiturs and randomness. Don't ever change.

Brittney's Newest Fan

Dear Virgin Territory,

I was recently introduced to 18eighteen magazine by a friend of mine and loved it! He's been getting 18eighteen for a few years. I ended up ordering several back issues and plan on buying a subscription very soon! I'm 33 years old and love 18- and 19-year-old girls! So, 18eighteen magazine is great! My favorite issue so far is Sept. '13. I fell in love with Brittney the moment I saw her! My cock became instantly rock hard as soon as I saw her. She has a beautiful round ass! She mentions that she likes having her asshole played with. I would love to lick it! I actually took the magazine to work with me today and put it in my locker. I spent my break in the bathroom jerking off to Brittney's amazing body.

Is Brittney in any other issues of 18eighteen or featured in any DVDs? If

so, I will definitely buy them! Just thinking about her makes me hard! I hope to see more of her, and 18eighteen magazine is awesome! I'm looking forward to ordering a subscrip-

tion.-A.L., Cuyahoga

Brittney is in the DVD Cum Guzzlers POV, which you can order on page nine. Enjoy!

Pee Woes

Dear Virgin Territory,

I received the July '14 issue today. Do the distributors

have to know if there is peeing in the magazine? Can't you slip it by without them knowing? Please! Isn't the magazine wrapped in plastic for newsstand sales so it can't be opened until after someone buys it? I really, really want to see peeing in the magazine since I can't go to the website to see it. So, a DVD of girls peeing is still requested. Please!

În the July issue, I liked Mari from Japan. She's cute. I also liked Gina. She's welcome to come visit anytime!

On page four of the Nov. '12 issue of Naughty Neighbors is a girl named Mary Jane. She says that her pussy gets so wet that she makes a big puddle. Better get her on a DVD because I would like to see that!-I.H.. Aberdeen, South Dakota

Dear J.H.,

In some parts of the world our magazines are distributed without a polybag. However, your idea of a DVD of girls peeing is a great one. We'll definitely keep it in mind.

Jackin' to Jade

Dear Virgin Territory,

J.H.

do it.

I picked up the May '14 issue for the first time and wasn't too impressed. That was until I got to Jade with her exceedingly cute smiling face. When I got to page 67, she shocked me with talk about preparing her asshole for big dicks. It shocked me because I thought she

was a sweet and

innocent girl. I also enjoyed reading that she likes being a lil' tease and is a bit taller than me in heels. Since I am nearsighted I

zine up a few inches from my nose. I let out a squeal and furiously jerked off while looking back and forth from her pussy, butthole and face.

Even though I'm much older than Jade, I'd love to marry or be a servant to her. For now I hope that she will become an adult movie star so I can at least get her movies. I hope she won't get tattoos, which are a distraction from beauty and innocence.-F.W., Lynn, Massachussetts

Dear F.W.,

Jade had another solo pictorial in the June '13 issue and a hardcore pictorial in the Dec. '13 issue. You can order these back issues on page 11.

After School Angie

Dear Virgin Territory,

I watched the DVD After School Slut Club 2. The one girl I liked the most was Angie. She has a beautiful face, gorgeous legs and a fabulous body. She has perfect boobs, a perfect vagina, a perfect bottom, a perfect everything. When the guy took off her white sports bra in the locker room. her under arms had sweat on them, and her boobs and nipples were pointed. When he pulled down her white underwear her face turned red. When he was kissing and licking her she bit down on her lower lip.

Angie's face is beautiful to look at, and she has a nice voice. I loved

watching her. I would grade her an A plus.-K.M., Ellsworth, Kansas

Dear K.M.,

Angie was also featured in a solo pictorial in the March '09 issue. You can order this back issue on page 11 or online at eboobstore.com. For now, enjoy this bonus photo of Angie.

Cunnies of Yesteryear

Dear Virgin Territory,

I really enjoyed your Holiday '13 issue, which showed a number of models wearing costumes for Halloween. I would like to make a suggestion for a future costume issue: dress the girls up in fashions for each decade of the 20th century, their hair also styled to match the times.

For the early 1900s, you coud have a girl wearing a long, elegant dress and fancy hat. For the 1920s, a flapper wearing a short dress and headband. A poor barefoot farm girl wearing a shirt and three-quarter length overalls would best depict the 1930s. For the 1940s, a swing dancer having sex with a GI or sailor. A 1950s girl would wear a white blouse, poodle skirt and bobby socks, while a 1960s girl would wear a tight sweater and mini-skirt. A girl from the 1970s could be dressed in flared jeans and platform shoes. In the 1980s, denim was all the rage, so the model could wear a denim skirt and jacket and a bright t-shirt with her hair tied back with a matching ribbon. For the 1990s, a girl-girl pictorial with one teenager wearing a sweater and

stirrup pants leggings and the other a baby-doll dress would work well.

The girls' underwear should match the decade, and they should grow their pubic hair. If the 1970s girl pulled down her panties, we'd expect to see hair.

I absolutely love pretty girls from yesteryear, so I hope you give my ideas consideration.–D., Washington

Dear D.,

It would require planning, but we love this idea and will keep it in mind.

Tiny teens are often the most horny!

Everything about Risa is small-her height, her tits, her pussy-except for one thing: her appetite for cock. This petite teen constantly craves the hottest, hardest sex she can have, and that's why she's here fucking on-camera! "For the longest time I had wanted to do a porno. I would watch it all the time and get so turned on. It got to the point where I really wanted to be the girl in the video. And now I am!"

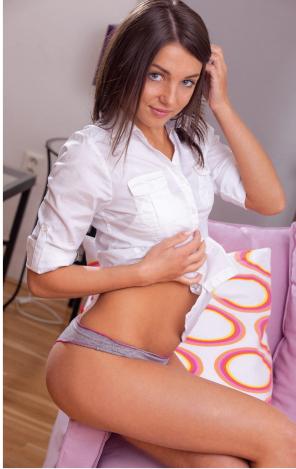

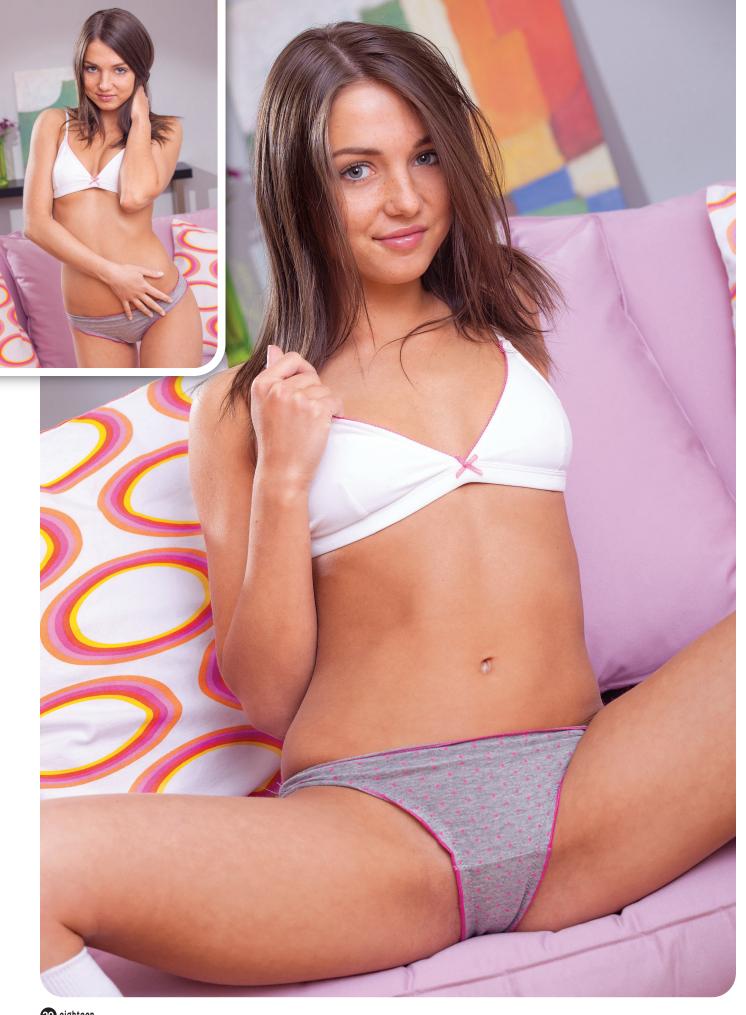

Foxy isn't as innocent as she looks.

Try as she might to be a good girl, Foxy just can't seem to stay out of trouble when it comes to boys. Or more specifically, men. Sure, she gets good grades and keeps herself occupied with extracurricular activities. But her beauty combined with her smarts and out-going personality make her a magnet for male attention. The boys her age lust after her, but so do her professors. Admittedly, she likes her professors more. "I've been involved with a couple of them, but it's a secret! They would get in trouble not only with the university but also with their wives!"

Would you ever consider going to school in the United States?

"Yes! Definitely! I have actually been looking into exchange programs so I can visit for a semester. I am so interested in American men. I think they are cute, and they seem more fun and warm than some of the men in Russia. We can be very stern, you know. I like someone with a gentle touch who can make me laugh. I would love to fuck a foreigner!"

"You're...really hot," she admitted, finally looking up. She stared at Liz's tits. Liz watched the flush creep up her face. This was it. Moment of truth time. If she'd played it right, this office was going to smell like cum until morning.

Lindsey didn't blame them. Ms. Kenner was a hard case. No-nonsense. Stern. Kids called her the Classroom Commando. Whenever Lindsey raised her hand, the woman made her nervous. She wasn't sure why, but it always felt that when Ms. Kenner stared at her, she was in trouble for something.

It wasn't the case, of course, but that didn't make things any better. Lindsey sat alone, near the back of the lecture hall. She didn't sit with her girlfriends, whispering when they thought they could get away with it. Not that she had girlfriends-and certainly none stuck in this class. She didn't sit next to her boyfriend, or pass notes. Of course, not having a boyfriend made that easy. Talk about adding to her already sour mood. Three months into her first semester and she still hadn't hooked up. Justin looked pretty interested, although she was betting he wasn't interested in dating, just getting into her panties.

She had to admit, she could do worse. Justin was good looking, especially in boot-cut jeans. She wouldn't mind spreading her le—

"Miss Haines?" Ms. Kenner asked, bringing the fantasy to a screeching halt. Lindsey gulped.

"Uh, oh, yeah. I was just wondering," Lindsey stammered, off balance. "Could you, maybe, just go over that part about the term paper again?"

Lindsey clutched her knapsack. She wasn't making any sense, even to herself. Kenner looked down at her and cleared her throat.

"I have an appointment shortly," Kenner said curtly. "If you need me to re-explain the assignment, you'll have to see me in my office."

Lindsey wavered. Maybe she could ask Justin about it. Then she remembered, he hadn't been paying attention. He'd been staring at her

8 eighteen

pussy the whole time.

Resigned, Lindsey asked, "When should I come by then?"

Kenner checked her watch.

"I can go over it now. Come on."

Lindsey followed like a prisoner walking the last mile. No way to back out. She was going to be stuck in Ms. Kenner's office, maybe until the next student showed up. The thought made her nauseous.

The office surprised her. From the outside, it looked big, but inside, it was barely big enough for her desk. Kenner saw her expression.

"Part of the old storage closet," she explained. "But it has its perks." She smiled–something Lindsey had never seen before–and went through a side door. Instead of a real closet, it opened to a small counter with a sink.

"Just going to wash up," Kenner said. "Be right back."

Lindsey took a breath, started to relax. Maybe this wouldn't be so bad.

On the other side of the door, Liz Kenner freed her hair from the band that kept it pulled back tight. She took off her glasses and shook out a mane of long, flowing curls.

When she went back into her office proper, she was going to totally blow Lindsey's mind.

Her goal all along.

Liz saw the way Lindsey reacted every time she looked at her or called her name. She might only be in her 30s, but she'd been doing this long enough to know which girls were ripe for the picking, and Lindsey put out a signal she read loud and clear.

"Help me! I need to get fucked!"

Liz could show her. Even if Lindsey was straight. Which she probably was, she thought, undoing her top two buttons. Chicks liked cleavage too, especially if they didn't have any. Lindsey didn't have a whole lot, that was obvious. A B-cup, if that. Liz didn't mind. Heck, she had a thing for flatties. Plenty of freshman had come through this office, ogling her knockers. Of course, she'd been perfectly happy to share.

She stepped back inside, turned on by the way Lindsey's eyes bugged out. She'd seen that look before plenty of times. But it still made her pussy ooze. The way the girl gaped at her tits, her hair, the way she looked without her glasses. Liz was sexy, and she knew it. But you didn't get far at a college looking like a slut, so she cultivated the serious look that put everyone on guard. Not just fellow faculty, students, too. Students like Lindsey.

"Something wrong?" she asked, slipping into her chair.

"N-no, Ms. Kenner. It's...it's just..."

"Just what?" she followed-up, increasing Lindsey's unease. The kid was practically trembling in her chair.

"I, well...I've never seen you... I mean, you look-"

"I'm not just an English teacher, Lindsey. I have a life, too."

"No! That's not what I meant!" Lindsey protested, trying to backpedal from something she hadn't said. "It's just that you look..."

Liz came around the desk and sat on the edge, dangling one foot. Lindsey was practically staring into her crotch. She had nowhere else to look, though. She didn't want to meet Liz's eyes, and just glancing up she'd be left gazing into her cleavage. The room suddenly felt claustrophobic.

"What is it, Lindsey?" Liz pressed, setting the hook. "I don't know what you mean."

Lindsey was trembling now. She hesitated, then blurted it out.

"You're...really hot," she admitted, finally looking up. She stared at Liz's tits. Liz watched the flush creep up her face. This was it. Moment of truth time. If she'd played it right, this office was going to smell like cum until morning. If not...well, that was what made all this so exciting.

She crossed her legs. Felt the squelch of wet fabric rippling across her spatch.

"Well, you aren't bad yourself."

"Really?" Lindsey said, truly astonished. Liz nodded. Let her shoe drop to the floor. Put her stockinged foot on Lindsey's thigh. Nearly gushed when the teenager didn't flinch or pull away. She leaned in, sticking her boobs right into Lindsey's face.

"I think you're hot, too," she said.
"Have since the first day of class."

"The guy and I were making out, and I was just super horny and wet. We started having sex, which felt amazing. I know it sounds funny, but I really just started craving a dick in my ass. I knew it was time, so I told him to stick it in my butt. He eased it in nice and slow, and it was love at first thrust!"

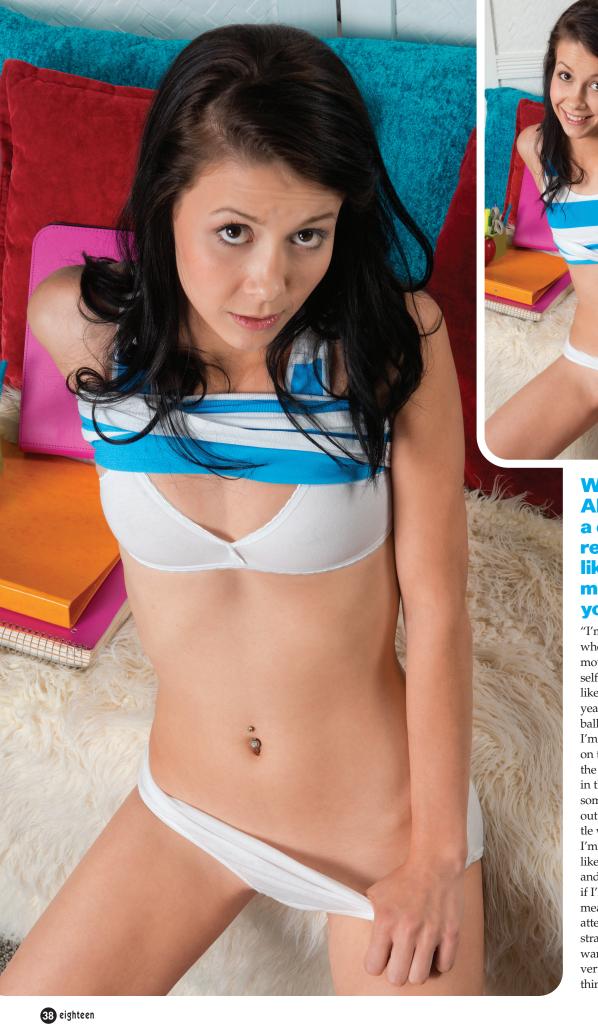

Did the guy cum in your asshole? Please tell us he did!

"No, he didn't, but now I totally want to try that! I think he was so used to pulling out and spraying my body or face that he just naturally did that when we did anal. He pulled out and came all over my ass. It was a huge load, too! But I would love to feel him shoot a load that big in my asshole. And it's not like I'd have to be worried about getting preggers or anything. I really like it when guys cum in my pussy, so I can imagine it's so much better in your ass. It feels so good when you can feel that cum blasting all over your insides. And I like how hot and dirty an anal creampie sounds!"

Welcome, Alaina. You're a cutie. The readers would like to know more about your life.

"I'm just your average girl who likes to go to the movies, hang out and take selfies. I'm single, and I like to flirt with guys. Oh yeah, and I'm on the softball team at school. I think I'm the only straight girl on the team! I always see the other girls hooking up in the locker room, and sometimes they check me out, too. At first I felt a little weird about it, but now I'm starting to show off. I like that they look at me and want to fuck me, even if I'm not a lezzie myself. I mean, who doesn't like attention? Since I'm the straight girl I think they want to conquer or convert me. And sometimes I think about letting them!"

You don't think it'd be fun to have your pussy eaten out?

"I love oral. And girls probably do it better than guys. I even had this dream where one of the lezzies on the team was sucking on my nipples and clit and fingering me till I came. It made me look at her differently. The morning after the dream I saw her at school, and I felt a little embarrassed and shy. And it was almost like she knew! She was way more friendly with me. I'd let her hit it, but at the end of the day I definitely need dick to keep me satisfied."

"M-me?"

Liz nodded again. Slid her toes all the way up Lindsey's thigh. Her bra, a half-cup that pushed her boobs together, showed off a lot of skin. Lindsey took a breath. Ran her fingertips over the top of Liz's foot.

"You want to see 'em, don't you?"

Mouth dry, Lindsey nodded. She didn't just want to see them, she wanted to feel them. To suck them. To have them rubbed in her face and be smothered by them. She'd never really thought about other girls. But this was the real deal. She wanted to see Ms. Kenner naked. As the professor unclasped her bra, Lindsey realized that wasn't all she wanted.

Liz's breasts spilled out, the demi discarded on the desk behind her. Tentatively, Lindsey raised her hands, knowing what she wanted but unsure about going after it. Liz saved her the trouble. She grabbed the girl's hands and planted them on her tits, letting her foot slither between Lindsey's legs.

"There," Liz said, giving her knockers a shake. "All yours."

Lindsey's hands finally caught up to what her brain was begging for. So did her mouth. Her lips fastened onto one of Liz's purple discs, teasing the hard nip with an eager tongue.

Lindsey had never sucked a tit before. She'd seen it done in a movie a couple of times, and once in person, when her friend Kim and her boyfriend started fooling around at a party. There were only a few kids left, and no one had noticed the two sneak off into the corner.

But she had, and watching Eddie tug down the front of Kim's shirt and start lapping away at her tittie made her panties so wet she'd wanted to join them. But Kim caught her looking and let out a little giggle. Lindsey had rushed home instead, and fingered herself until she fell asleep in a puddle of her own pussy juice.

Her twat dew was flowing freely as she fondled Kenner's knockers, grinding against her professor's insistent foot. She didn't think it was possible, but she was already feeling it. Slurping away at Ms. Kenner's areola, that tingly sensation was growing down there in her fuzzy spot.

Liz clenched her toes, the nylon pulled taut. She could tell Lindsey was close—her freshman fuck toy was about to cream her jeans. She was panting, her teeth gently raking over Liz's generous knockers. Any second now, she guessed, any...second...

But the girl surprised her. Instead of giving in and allowing the orgasm to take her, she pulled away. She relin-

out of her jeans. She returned to continue the tongue-bath on Liz's knobs, but instead of using both hands, she only used one. The other was stuffed down the front of her panties.

Lindsey's bloomers were sleek, with a sexy cut. Liz had only gotten a brief glimpse, but what she'd seen ramped up the desire in her cunt to a whole new level. Lindsey's cameltoe was spectacular. Thick folds ringed her juicy center, with tufts of fine hair framing her mound. When Liz prodded the stained fabric with her big toe, it came away with a droplet of nectar running down the pad.

Enough was enough, Liz decided, putting an end to the foreplay. She pulled Lindsey to her feet, peeling down the youngster's bloomers.

"My turn," she said, positioning the girl on the desk. "I want a taste."

Lindsey wasn't prepared for her professor's tongue on her clit, no matter how fast her mind had been running through the possibilities. And, her brain had been speeding through the options fairly quickly. Fingers. A dildo. A double-dong vibrator. And of course, oral. Lindsey might be short on real-life experience, but she wasn't ill-equipped when it came to triple-X daydreams and masturbation fodder. If there was a profession out there that demanded iron-strong index and middle fingers? Lindsey could make a career of it. She'd gotten herself off so many times the past six months she doubted anybody could compete with her finger-fucking dexterity.

But Ms. Kenner's mouth on her box was something else entirely. The sensation was so different, in fact, it actually delayed her orgasm. She'd been right on the cusp of gushing into

was so focused on how it felt to get eaten out, it had set her back a few minutes.

Liz felt Lindsey's lips tense around her tongue. The girl's pink hole quivered against her mouth. She envied the first guy who buried his cock into her–the girl was some kind of tight downstairs. Just getting one fin-

ger up her was a chore.

Lindsey didn't seem to mind the effort, though. She reached down and pulled her soggy lips apart, exposing her swollen clitoris. Liz was glad she'd bought a leather chair for students. She was going to have to mop it with a sponge when Lindsey finally got out of it. The girl's slot grease was pouring down her thighs, dribbling onto the cushion, smeared across Liz's face. She was tangy, and still smelled like the body spray she'd put on before class. Liz worked a second finger into her slot and began rubbing the girl's nub with her thumb.

Lindsey thrust her muff into Liz's face. With Liz's middle finger stroking her G-spot, and her mouth glued to her swollen button, she was going to climax any second. Her fingers dug into the armrests, trying to keep herself in position. She was so sloppy down below that she was at risk of sliding out of the seat altogether. She was pushing herself back when something startled her.

Liz knew the kid couldn't hold out. She'd gone down on enough girls to

know when they'd reached the point of no return. Still, she hit the lever, putting the chair into recline.

"Unh-unh-unh-unh..." Lindsey grunted, so close to unloading in Liz's mouth she was whimpering.

Lindsey felt the chair tilt back, elevating her pussy and changing the angle at which Ms. Kenner was tongue-fucking her. Thirty seconds, she figured, and she would be splashing Kenner's face with girl-goo. Kenner seemed to sense it, too. Lindsey stared down at her between sticky, spread thighs. Her professor grinned back wickedly.

"You don't mind if I sample that cinnamon ring of yours, do you?"

Lindsey's mind chattered like somebody had just stripped its gears. She wasn't at all sure what Kenner was talking about.

Until Liz ran her finger along the pucker of Lindsey's back door.

And then her tongue.

Analingus hadn't once entered Lindsey's mind. In all the fantasies she'd considered, from a slit-slurping sixty-nine to Ms. Kenner pounding her pussy with a lifelike dildo, this hadn't even been on the radar.

But Kenner was doing it, pleasuring Lindsey's ass with her mouth, driving her fingers into her twat, flicking her clitty.

"Ohmigod!" Lindsey squealed. "Ms. Kenner, you're so fuckin' dirty!"

Another time, Liz would've sluttalked her back, but she was too busy, concentrating on the virgin asshole she was about to deflower. Still, Lindsey's comment sent a shudder through her. If the kid had a mouth like that on her in other ways, it would be a semester to remember. She was thinking about that when the eighteen-year-old exploded.

Lindsey felt the tears running down her face. The orgasm she was feeling was so intense she thought she might wet herself. She didn't have control of her body any more. Her ass muscles were locked. Her stomach was doing flip-flops. Her feet had cramped because her toes were curled so tight she'd lost feeling in them. And still, Ms. Kenner kept going,

Continued on page 76

"Okay, well, we were all hot and sweaty from doing a mile run. I saw her checking out my butt in the group shower so I walked over and started talking to her. We waited until everybody left, and we made out under the shower head. It was the first time I ever felt anybody else's pussy. It was so different and yet familiar."

So, what did you do next?

"Since we had the locker room to ourselves she laid me down on the bench and ate my still dripping-wet pussy until I came. It was incredible! She knew exactly how to flick my clit and finger me until I was weak in the knees. I was nervous about returning the favor, but I figured it couldn't hurt to try. I ended up having such a good time. Her pussy tasted so different than mine, but not in a bad way. She squirted, too. That made my pussy cream all over again. We kept hooking up until we graduated."

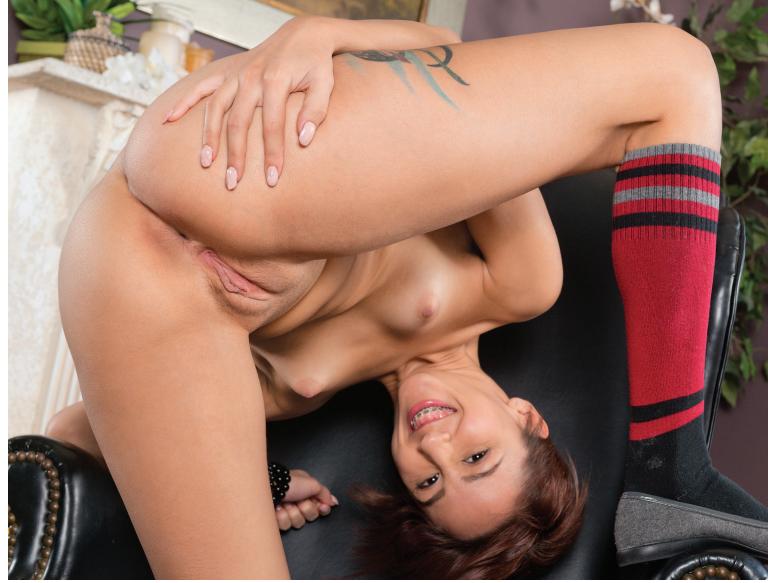

What else have you experimented with?

"I've had a couple of threesomes before, but they were always with another girl and guy. I recently had my first three-way with two dudes. It was amazing! I felt like such a dirty slut. I was sleeping on the floor after a party at school, and I was feeling horny. I just leaned over and grabbed the dicks of the guys sleeping on either side of me. Next thing I knew, I was sucking their cocks, and they were ripping my clothes off! They did that thing where they high-five over me—the Eiffel Tower."

working her back door, her fingers dangerously close to drawing out another climax.

Lindsey bucked. It was all she could do. Involuntary tremors racked her tiny frame. Her nipples were so hard they ached. Her small breasts were riddled with goose bumps. It felt like she was floating.

"Ms. Kenner," she gasped, fighting to breathe. Liz wiggled her fingers in opposite directions, sending spasms through Lindsey's fuck tunnel.

"Yes, Lindsey?" she replied, smiling knowingly. But apparently not that knowingly, as Lindsey surprised her again.

"W-w-when is it my turn?"

The chair was puddled with cum, their clothing strewn about the floor. They were in the hidden half of the office, the side which held a small couch and miniature refrigerator. On top of the fridge was a small, wooden cabinet. Liz pointed to it, then lay on the couch, waiting.

Lindsey opened the cabinet, gawking at the array of sex toys. Not a dildo. Dildos. Five of them. All different shapes and sizes. One was curved at the tip in a way that made her jaw drop. There were vibrators. Several packs of batteries. A string of ben-wah beads with pearls the size of marbles. And, there in the back, something that Lindsey couldn't take her eyes off of.

She took it out, weighed the monster cock in her hand. It felt heavier than she expected. Liz's comment explained why.

"Glad I put in fresh batteries in."

Lindsey swung the belt around her boyish hips, snugging the buckle. Then she pulled the thong between her cummy thighs and hooked it in back. The thin rope of fabric split her ass cheeks, the rubber cock bobbing in front of her.

The strap-on had a button over the lifelike cock.

Pressing it, Lindsey felt the device hum to life. Inside the

crotch panel, a

rubber plug began to thrum against her already-swollen clit.

"Keep going," Liz encouraged, wanting to see Lindsey's reaction. The girl's sharp intake of breath made Liz gnaw her bottom lip as she watched, her pussy drenched.

Four settings. Lindsey ran through them all, the MAX feature nearly knocking her to her knees. That one vibrated and pulsed, sending shockwaves so fierce through her clit she could feel them in her jaw. Downshifting back to LOW, she moved to the couch.

Kenner stood, taking the girl in her arms, planting a ferocious French kiss

Lindsey pushed until she bottomed out, the fleshy, fake balls humming against Kenner's folds. Liz clutched the sofa cushion as Lindsey took over, giving her a playful swat on the ass as she plowed into her from behind.

on her. The pair swapped spit, the rubber dick thrumming between them, Lindsey's moisture running down her creamy thighs. Kenner moved to get back on the couch, but Lindsey got in her way.

"Un-unh," she said, stepping in behind her and bending the professor over the arm of the couch. "Let's do it my way this time."

Kenner gave in, thrilled at the prospect of being the submissive. Lindsey wasn't really sure what she was doing, but she was desperate to know what it felt like to be in control. To dish out a little pleasure of her own. She reached around and cupped one of Kenner's big tits, squeezing it hard, inserting the tip of the strap-on into Liz's cunt. The head was fat-more than Lindsey would've felt comfortable trying to take-but with some effort, she worked it past Kenner's ring of twat muscle and into her dripping canal. Even her abundant lube wasn't enough to make penetration easy. Lindsey was enjoying the way her professor squirmed as she plunged deeper. Two inches.

Three. Five. Seven...

Lindsey pushed until she bottomed out, the fleshy, fake balls humming against Kenner's folds. Liz clutched the sofa cushion as Lindsey took over, giving her a playful swat on the ass as she plowed into her from behind.

Lindsey wondered: was this what it was like for boys when they fucked a girl? She could almost feel the whole length of the molded penis, thanks to the bullet strumming her clit. If she'd been a boy, and had a cock like this, she'd want to stick it into every pussy and mouth she could find! Even though the buzzpod grinding into her cunny was driving her crazy, she still

wished, just for a minute, that she could cum like a boy. That she could unleash a stream of jizz into Kenner's box and feel it rushing out of her, hot and salty, draining into her fucktoy's velvety snatch. She wanted nothing more than to fuck Kenner senseless–fuck her and pump her full of cum.

She drove the strapon home deep, thighs slapping ass with a wet smacksmack-smack. Her vag was spitting fluid like someone had turned on a faucet. She

was so close...so fucking close...

"Lind—seAYYY!" Liz howled, beating her fist into the sofa. She bit into a throw-pillow, slamming back into her teenage fuck buddy.

Lindsey felt Kenner cream. The pressure she put on Lindsey's crotch with the thrust-back pushed her back so far the strap-on slipped out of Kenner's twat.

Liz gulped air, her jittery muscles easing as Lindsey pulled out of her. God, what a bang the kid had thrown her! She was looking back over her shoulder to tell her when the strap-on found its spot.

Cinnamon ring... Lindsey had been playing the words over and over in her mind, remembering the sensation of Liz tongue-fucking her backside. The older woman's butthole, right there in front of her...

She'd never had a chance. Lindsey had stared at Liz's brown-eye for barely a heartbeat before wedging the vibrating head into her snuggie and thrusting into her, forcing it deep. Kenner shrieked, but the cry had

Tell us about yourself, Lila!

"There's not much to tell. I'm your run-of-the-mill teenage girl. I have a higher than normal sex drive, I guess. That's what led me here. I've always been pushing the boundaries when it comes to sex. In fact, my sex drive gets me in trouble. I wasn't the most popular person in school, so I found a boyfriend who could distract me. If I wasn't in the mood for class I would excuse myself and text him to meet me in the halls. I would suck his cock or let him fuck me in the bathroom. I'd get busted when I went back to homeroom because there'd be cum on my lips, or I'd get detention for not wearing panties. The teachers never knew what to do with me!"

It sounds like you're a real wild-card, Lila. But you look so innocent!

"Yeah, that's what gets me out of trouble! This one time I got busted for having anal sex on stage after classes were dismissed. I was hanging out in the drama room with my guy, and things started getting hot and heavy. I suggested that we get up on stage and pretend like we're fucking for an audience. I was on my knees with his cock down my throat and his balls slapping my chin in a matter of minutes. Then I bent over a stage couch and invited him to fuck me any way he wanted. I felt his fingers slide in my ass and then the tip of his dick. It wasn't long before he was pumping away like a mad man! It was a little painful at first, but I rubbed my twat and used that as lube for his shaft. Then, suddenly, the lights came on, and I saw the principal standing behind us!"

ended with a sexy, "Ohh-oh-oh-oh-ohhhhh," which Lindsey took as an enthusiastic thumbs-up. Balls-deep in Kenner's back door, she jacked up the setting to MAX, and proceeded to butt-hump Kenner until the woman was on the verge of passing out.

"Don't stop!" Kenner moaned, her thighs on fire. "Give it to me, Linz, do it till I cum!"

It wasn't exactly a tall order. The batteries were heating up in the base of the strap-on. D cells by the weight of the thing. Lindsey hoped they were Duracells, even though she doubted she could keep this up. Kenner took it all, though, making animal noises as Lindsey felt her legs go numb.

It could've lasted longer, but neither one of them had much left. Lindsey held on through one last cum, listening to Liz wail as she climaxed uncontrollably. Liz collapsed, the rubber cock buzzing like a hornet's nest as it slowly eased out of her wrung-out asshole. She rolled onto her back, sweat pooling between her boobs, blowing ringlets of hair out of her face. Huffing, Lindsey stumbled around to stand beside her.

"Jizz," she said excitedly. "We need to get one of these that's hollow. One we can fill up with something that feels like jizz! And shoots!"

"H-Home," Liz whispered, letting her eyes flutter shut. "Think...think I have something like that at home."

Lindsey walked, bow-legged, into her room. Chrissy, her dorm mate, looked up from a textbook.

"Wow, you're late. How'd it go?"

Lindsey frowned. "Lousy. I'm going to have to do some make-up work in the afternoons if I want to keep my grades up."

"But...I thought you were doing good in English?"

Lindsey took a soda from the fridge and shrugged, heading to her room. "Can always do better, I guess," she said, shutting the door.

"Not much better," she said outloud to herself, ready to strip out of her cum-soaked panties. She tossed a book onto her bed.

Summer classes, she thought. Now that was something to consider.

Now, every man can know the power of having a huge cock!

Ava got a lesson in being a slut!

Ava is a studious, nerdy type who was minding her own business in the bathroom. Heather, the slutty cheerleader, came in to fool around with her boy. Ava couldn't help but spy on Heather as she was getting oral. Heather caught Ava and was turned on by the redhead's voyeurism. She decided to include Ava in on the fun and teach her a thing or two about being a slut.

Heather, tell the truth. Did corrupting innocent, little Ava turn you on?

"Of course it did! I acted mad when I found her hiding in the stall, but I wasn't really. I wanted her to play with us. She's so sweet and innocent, and I wanted to make her be a bad girl for once. I wanted to give her an experience she would remember. Sometimes these nerdy girls just need a little help getting out of their shells."
